For Member School Board, Dist. No. 2.

The friends of Mr. G. B. Bush announce him to succeed himself as Member of School Board for District No. 2. Mr. Bush has served us faithfully for many years and we do not feel that his day of usefulness is near past yet.

HIS FRIENDS.

For County Commissioner, 1st Dist.

I am a candidate for County Commissioner for District No. 1, subject to the coming Primaries, and will appreciate the support of the voters. I promise if elected to serve you the best I can.

Yours respectfully,

BENJ. PIPKIN.

L. H. Howell for Representative.

To the Voters of Washington County: I am a candidate for Representative from this county in the Legislature of 1913, subject to the decision of the Democratic primaries April 30 and May 28, 1912. If elected I will introduce and support a bill providing for a division of Washington county following these lines: Commencing at the north west corner of Calhoun county, thence running west thru the center of Township 2 north, Range 12 west to range line between Ranges 12 & 13 thence south along said range line to Econfina creek, thence down said creek to the Base Line; then west along said Base Line to Pinelog creek, thence down said creek to Choctawhatchee river. I feel that the above plan will be perfectly satisfactory to all interested in county division and eminently fair and just to the whole of Washington county. I will also favor a bill prohibiting the employment of convicts in competition with free labor, and providing for their being employed on the roads of the state. At all times I shall use my best efforts in behalf of the common people of our county, striving to conserve their interests and protect them against unjust and discriminatory legislation. With the hope that the above brief outline will meet with the approval of the voters of Washington county, I ask most respectfully for their support.

L. H. HOWELL.

A New Firm.

The new firm of Williams & Helton, composed of J. J. (Chub) Williams, our present efficient tax assessor, and Charlie Helton, who has been with Wells Bros. for the past two or three years, will soon begin business in Chipley. They are both well and favorably known, and we wish them unlimited success.

B. C. & St. A. R. R. Schedule.

Now that the B. C. railroad has received its new engine and new passenger coaches, a daily schedule between Chipley and Southport has been put in operation for the benefit of the traveling public, especially those who are going into the Bay country.

And as a convenience to passengers there will be no transfer. The B. C. train will leave from the L. & N. depot, and on its arrival will discharge its passengers, baggage, etc., at the same place.

For the present and until further notice, the following daily schedule will be operated:

Leave Chipley, 11:00 a. m.
Arrive Southport, 1:00 p. m.
Leave Southport, 3:00 p. m.
Arrive Chipley, 5:00 p. m.

Launches to convey passengers to Lynn Haven, St. Andrew Panama City, or any other point on the bay, will meet the train at Southport.

When you are going into the Bay country travel over the B. C. railroad.

General Manager R. F. Scarlett advises The Banner that the train will not leave Chipley until after the arrival of the east bound L. & N. train, No. 3. They will also make connection with the west bound L. & N. train, No. 2.

Look up the announcement of W. T. Horne, who last week gave notice that he is a candidate for the office of Superintendent of Public Instruction of Washington county. Whit Horne is pretty thoroughly known over the county, having lived here all his life, and for the past fifteen or twenty years has been a teacher in the public schools of the county. He is honest, conscientious and sober, and should the people see fit to honor him with election he will no doubt make a capable and satisfactory Superintendent, for he is progressive and has the educational interests of Washington county at heart. Remember his request when you go to the polls.

Candidates for county treasurer are an unknown quantity—no announcements for this office has been made yet.

The new passenger cars for the B. C. & St. A. railroad came in last week and are now in regular service on that road between Chipley and Southport, much to the comfort and convenience of the patrons of this road.

The attention of the voters of the First commissioner's district is called to the announcement of Benj. Pipkin, who is a candidate for commissioner for that district. Mr. Pipkin is a progressive and prosperous farmer and is capable of making a good county commissioner. He asks you for your vote in the primaries.

In the announcement column you will find A. C. Gilbert's notice, wherein he offers for reelection as county commissioner from District No. 2. Mr. Gilbert has served in the capacity of commissioner for this district for the past year, and his record as an officer is before, hence he requires no eulogy from us.

Look up the announcement of Amos F. Rooks. He is a candidate for member of the Board of Public Instruction of Washington county from this, the Second district. Mr. Rooks is too well known throughout this district to need any recommendation from us. If elected he would no doubt make a competent and satisfactory officer.
